**Community Supported Agriculture(CSA)**  
**2023 - 2024 Winter Season**

Grace Brothers has been a family-owned business since 1989 in North Royalton, OH. We are dedicated to bringing farm freshness to our community and supporting local farmers.

As farmers markets dwindle and the food on grocery store shelves gets hauled in from thousands of miles away, we are here to offer local Ohio food. Our local produce, products, meats, and all-natural fresh eggs offer nutrition... with unbeatable taste. Support the local movement by following the Grace Brother's motto, "Live local, Eat local, Be local" for a healthy community and a healthy you.

**Grace Brothers Community Supported Agriculture (CSA)**

Working with a collection of Ohio farms and small Cleveland businesses, we bring you a way to eat local throughout the winter. When members buy a share in our CSA, they are supporting their local farmers, as well as earth-friendly farming practices. Our CSA is a source of produce, meat, and packaged products that are grown and crafted locally.

We offer an assortment that is up to variation due to the unpredictable late fall growing season. We will be pulling out all the stops to give you high-quality Ohio produce through the tough cold months. Come taste the Ohio-made difference and support your local community. **\*Members receive a weekly newsletter by email with recipes and tips.\***
